On November 3, 2004, the Commission received for approval a filing of Terms and Conditions for Interconnection, Unbundled Network Elements, Ancillary Services and Resale of Telecommunications Services between Qwest Corporation (Qwest) and BullsEye Telecom, Inc. (BullsEye).

On November 4, 2004, the Commission electronically transmitted notice of this filing to interested individuals and entities. The notice stated that any person wishing to comment on the parties' request for approval had until November 23, 2004, to do so. No comments were filed.

At its duly noticed April 26, 2005, meeting, the Commission considered whether to approve the agreement between Qwest and BullsEye. Commission Staff recommended its approval.

The Commission has jurisdiction over this matter pursuant to SDCL Chapter 49-31, and the Federal Telecommunications Act of 1996. In accordance with 47 U.S.C. § 252(e)(2), the Commission found that the agreement does not discriminate against a telecommunications carrier that is not a party to the agreement and the agreement is consistent with the public interest, convenience, and necessity.
